

**Preventing Sexual Discrimination or Harassment:** BYU's policy against sexual harassment extends not only to employees of the university but to students as well. If you encounter sexual harassment, gender-based discrimination, or other inappropriate behavior, please talk to your professor, contact the Equal Employment Office (D-240C ASB, 422-5895 or 367-5689), or contact the Honor Code Office (4440 WSC, 422-2847).
